

HIGH HOLIDAY SCHEDULE

The High Holidays will be upon us soon. This is your guide to all things High Holidays. Below is the service schedule, candle lights & havdallah times, as well as ways to participate. High Holidays Service will be held in-person in the Sanctuary, as well as live-streamed on our YouTube channel at www.beth-jacob.org/YouTube. Masks are still required in the building and we will have a special section towards that back that has chairs more spaced out and electronic air filters running for those who want the extra precaution. Additionally, a speaker will broadcast the service with sound only outside under the trees for those who do not feel comfortable inside.
