COMMITTEE REPORTS

The **Ritual Committee**, upon reading the latest OSHA recommendations, has banned the use of Chironomy (those secret Torah reading hand signals) because of a risk of carpal tunnel syndrome.

At the urging of the clergy, the **Early Kiddush Committee** is changing its name and focus to **Pre-Kiddush Learning**. Upcoming topics will include: "Hillel and Shammai on Scotch vs. Bourbon"; "Genesis 1:28--Hey how are the kids doing?"; and "Hiddur Mitzvah--Wow, I love your outfit!"

The **Building Committee** will be removing the pews from Section D and replacing them with Yoga Mats, for a more relaxed interpretation of the Torah.

The **Hallway Minyan** has decided to secede from Beth Jacob, with plans to establish "The New Chatty Congregation." Until their new synagogue is built, they have asked if they can rent space in the sanctuary on Saturday mornings.

UPCOMING EVENTS

Beth Jacob Blood Drive and Petting Zoo, with goats, llamas, and piglets in the social hall for donors and phlebotomists to pet.
